month at Hartford, Supreme Overseer Ed. E. Holmann of Johnstown, Pa., delivered an elegant speech in which he took occasion to mention that he will be 52 years old next month, and expressed the hope that in honor of his birthday the lodges in Connecticut initiate 52 membbers during November. From the popularity of Brother Homann in the order in Connecticut as well as in other jurisdictions, it is expected that the Connecticut members will make strenuous efforts to fill the order in Connecticut with recruits in November.

At the closing of the session of the Grand lodge meeting, several amendments of importance were submitted to the committee on laws, and after due consideration were formally adopted.

Do you think there are many who can afford to chop wood or hire it chopped, and then draw it five, ten or maybe fifteen miles to give away? It is very commendable of course, but it feeds neither the man or his team, nor helps pay the taxes. nor helps pay the taxes.

So there you are.

Do any of the sisters know about the laying habits of Indian Runner ducks? I have a pair, bought July 4. The duck began laying the 5th of September and has laid every day except two since—a total of 45 eggs—and is still laying. Does anyone know whether that is an unusual number for a duck to lay in the fall? or is it the regular thing for ducks of that breed?

A NORWICH INQUIRY

Answered By the Statement Of a Norwich Resident.

When first the long series of reports of Norwich people who have been relieved by Doan's Kidney Pills were published in the local press great enthusiasm and interest were aroused. But Norwich is now inquiring "How are these people keeping today? How has the benefit they received withstood the test of time?" For that, after all, is the essential test of a cure. On this point doubt can no longer exist, for after many years those who have been cured, emphatically declare their cures to be lasting. D. J. Brown, 6 Summer St., Norwich, says: "The results that followed the use of Doan's Kidney Pills in my case were satisfactory. I got this remedy at N. D. Sevin & Son's Drug Store and it proved effective in strengthening my kidneys and relieving other symptoms of kidney trouble."

A LASTING EFFECT. At a later interview, Mr. Brown said: "I still hold a high opinion of Doan's Kidney Pills and confirm the public statement I gave in their praise some years ago. Kidney trouble and I have been strangers for a long time."

TRIBUTE FROM RURAL DELIV.

Dear Social Corner Editor and Friends: It was sad to learn of the sudden death of D. Duane Bromley, who was one of the first writers of the Social Corner. I well remember when in the early days of the Social Corner page he was my only brother in the department. He was a great lover of flowers and a good poet, and one of his songs, Where the White Birches Grow, was much praised by all members of the Social Corner.

If the Social Corner had a charter I would suggest it be draped in mourning for thirty days or more. He will be greatly missed by all, as he was always ready to strew roses along the path of the Social Corner writers. While he has gone, his mergory will always be fresh to the older members of the department.
